If your grade is not as good as you expected, don't be too disappointed. Take it as a learning experience: learn from your mistakes so you don't make the same mistakes again in the future ;)

You can come anytime to check your final exams and compare with the solutions. I'll be in my office everyday next week and every weekday throughout the entire summer (the vacation is only for you, the students... we still work as usual preparing courses or doing research).

Drink, party, relax much this weekend and throughout the break and come back in good spirits in september.

Have a nice summer!
