# Heat Transfer Class Absence

**Comment by Prof. Parent**

If you want to get a bonus for the Design project you need to take the quiz in my office either Monday or Tuesday. Come in the afternoon.

**Comment by Student 201227125**

Professor, I'll be absent a class on Next Wednesday, may 9 because of reserve forces training. I'm sorry to absent your class. but this day test quiz. How should I do the quiz?

**Comment by Prof. Parent**

You should come to my office on Tuesday for your quiz. Come between 1pm and 4pm.

**Comment by Student 201800060**

Dear professor, I'll miss the class on Monday the 14th of may, because of a trip, I'm sorry.

**Comment by Prof. Parent**

OK. I'll reduce the penalty from 4 points to 2 points because you notified me ahead of time.

**Comment by Student 201800061**

Professor, I will be absent for the two upcoming classes due to a trip: Monday 14th and Wednesday 16th. I will come to your office tomorrow Friday 11th for the quizz as we agreed in class. My apologies for this.

**Comment by Prof. Parent**

This is fine. I'll give you just a 2 point (instead of a 8 point) penalty because of the advance notice.

**Comment by Student 201800059**

Professor, as discussed in class on Wednesday, I will miss your class on Tuesday 14th. Thank you for your understanding.

**Comment by Prof. Parent**

I'll reduce the penalty to 2 pts only.

**Comment by Student 201527121**

Professor, I'll be absent a class on Wednesday 23th of May. Because I've to go to the ROTC event for whole day. As I know, It could be certificated by University. So I'll submit certification for attendance following next class. Thank you.

**Comment by Prof. Parent**

No problem. But make sure to come to my office on Tuesday if you want bonus points for the quiz of Assignment #7. Sometimes between 1pm and 7pm is fine.

**Comment by Student 201627131**

Professor, I'm sorry but I'm going to have a ROTC Event and Rehearsal on May 23th for whole day. So, I can't attend class on Wednesday 23th. I'll submit a certification for attendance next class.
