

# Heat Transfer Class Absence

## **Comment by Prof. Parent**

OK. I'll reduce the penalty from 4 points to 2 points because you notified me ahead of time.

Professor, I will be absent for the two upcoming classes due to a trip: Monday 14th and Wednesday 16th. I will come to your office tomorrow Friday 11th for the quizz as we agreed in class. My apologies for this.

This is fine. I'll give you just a 2 point (instead of a 8 point) penalty because of the advance notice.

Professor, as discussed in class on Wednesday, I will miss your class on Tuesday 14th. Thank you for your understanding.

Professor, I'll be absent a class on Wednesday 23th of May. Because I've to go to the ROTC event for whole day. As I know, It could be certificated by University. So I'll submit certification for attendance following next class. Thank you.

## **Comment by Prof. Parent**

No problem. But make sure to come to my office on Tuesday if you want bonus points for the quiz of Assignment #7. Sometimes between 1pm and 7pm is fine.

Professor, I'm sorry but I'm going to have a ROTC Event and Rehearsal on May 23th for whole day. So, I can't attend class on Wednesday 23th. I'll submit a certification for attendance next class.

**Comment by Prof. Parent**

That's fine, but make sure to come visit me on Monday after 6:15pm to get bonus points for the quiz.

Professor, few days ago we told you about class absence at this Wed.day. So you gave us another chance for bonus at tomorrow 6:15 pm. But at that time, we have a rehearsal of ROTC event. So we want to change Mon. 6:15pm to Tue. 1pm.(Tuesday also have a rehearsal from 3:00pm) If you are okay, let us have a bonus point. We need the point 3, sincerely. I'm sorry for changing the promise suddenly. Thank you.

No problem. See you Tuesday at 1pm.

Professor, I can not attend a class this Wednesday, May.30th. The reason is I have to go staff ride at Taiwan for 4 days. It is the curriculum of the ROTC and that's the reason why I have to go. I have no choice whether I'll go or not. I'm really sorry for that. I'll give you certifications of class absence at coming Monday. There are three types of paper. First one is certification for last H-T class at Wed.day(May.23th), Second one and Third one are H-T Wed.day(May.30), CFD Thu.day(May.31th) respectively. As you told me last week, I'll go to your office after Tuesday CFD class for the Quiz H-T #8 and CFD design project. Thank you very much.
