Professor, I can't take Heat transfer class on may 22nd because of the same reason of 201542124. In fact, i work on BUTECH with her. I will submit the document to prove my absence.

This is fine, but if there is an assignment due on May 22nd, you will have to hand it in May 21st in my office before 15:00 and I will give you a quiz then.

Professor, I will not be able to attend at 9 tomorrow (on Wednesday) because I have to apply the summer vacation class. It's from 9 am and there are too many people to take that lecture so I have to use desktop for fast internet speed. I will take class after applying vacation lecture. I'm really sorry to be late.

Professor, I'll be absent a class on Wednesday 29th of May because of eye disease. I'll bring a medical certificate on next class. I'm sorry to absent your class.

You have to notify me at least 1 hour before class time. Also, if you don't do the quiz this morning, I can't give you points for your assignment.

I'm so sorry, professor. I don't think I can take the test today. Because mother's back surgery take longer. I didn't have good midterm grades and Quiz. I didn't study much for the exam. I know i will get bad grades even if i take the final exam. So I chose to wait for my mother rather than take a test. I'm sorry I didn't get a good result despite your efforts. Thank you.
