One student (201227125) mentioned:

“ I go to work every Friday and Saturday(9AM 6PM). so Friday Saturday would be impossible.”

Some students who take "Aircraft conceptual design" course, include me also, have presentations at 13th of June 3 PM to 6 PM so we have to avoid that time.

The final exam will be Sunday June 10th 19:00-22:00. The final exam is cumulative and covers assignments 1 to 8 as well as the design problem sets 1 and 2.

Comment by Prof. Parent

The final exam will take place in room 9301.

Because we don't have escorts, you can not leave during the final exam to go to

the bathroom and come back. Leaving the examination room ends your exam.
Please plan ahead and go to the bathroom before the start of the exam.
