

Viscous Flow Class Absence

Comment by Prof. Parent

If you can't make it to class, mention it in this thread the morning before class time or one day ahead. Tell us which class you will miss and why you can't make it. If you are going on a graduation trip, you need to notify me at least 10 days ahead of time.

Dear professor Parent I'm really sorry to do not attend your class because of the graduation trip.

Comment by Prof. Parent

^ This is not proper advance notification. You need to tell me which classes (dates) you will miss in this thread. Otherwise, you will receive some penalty.

Professor, I think I should take some medicine and get some rest because I have the flu. I am going to see a doctor in this morning. If I get better I would be

attend the class. But for now, it seems difficult. I will submit a prescription next time.

Comment by Prof. Parent

Take a good rest and drink plenty of fluids.
