

Numerical Analysis Final Exam Poll

Comment by Student 201627148

Professor, I plan to attend in wedding ceremony of my cousin on Dec 17th. I want to celebrate him.

Comment by Prof. Parent

Weddings don't last all day in Korea. Please indicate the time that is not possible for you.

Comment by Student 201627148

Professor, If we take the test in Dec 17th, I'm possible in 16:00-18:00 and 18:00-21:00, because my cousin's wedding ceremony. Thank you for considering my opinion.

Comment by Prof. Parent

The final exam will be on Friday 15th December from 6 to 9pm. The exam covers material from Assignments #1 to #8. There will be 6 questions, with 3 taken from the assignment problems.

Comment by Prof. Parent

The final exam will take place in room 9301.
